This matter comes before the Public Service Commission of South Carolina (the Commission) by way of the request of James S. Jones d/b/a Charleston Cab Company (the Applicant) seeking approval of an amendment to Class C Taxi Certificate of Public Convenience and Necessity No. 8570. The Applicant is authorized to operate under a Class C Taxi Certificate pursuant to Commission Order No. 2012-107, issued February 27, 2012.

The Applicant now seeks to amend Certificate No. 8570 by a change in the passenger restriction appearing on such Certificate.

Currently, the Applicant's authority to provide passenger service (Certificate No. 8570) reads as:

...to furnish passenger service...as follows:

Between Points and Places in South Carolina,
Restricted To: Seven (7) Passengers.

The Applicant requests to increase the passenger restriction from seven (7) to fifteen (15) passengers.

Based upon review of the matters asserted in the Applicant's request, the Commission is of the opinion that the relief sought by the Applicant should be approved.

IT IS THEREFORE ORDERED:

1. That the relief sought in the request for modification of Certificate of Public Convenience and Necessity No. 8570 of James S. Jones d/b/a Charleston Cab Company by changing the passenger restriction thereon from seven (7) passengers to fifteen (15) passengers be, and hereby is, approved.

2. That said approval is for a change in the passenger restriction authorized by such Certificate but does not otherwise authorize any change in the operation of the regulated services.

3. An amended Certificate shall be issued by the Office of Regulatory Staff to the Applicant as provided herein.

4. That prior to compliance with statutory and regulatory requirements and the receipt of such amended Certificate, the modified motor carrier services authorized by such Certificate may not be provided under the amendment approved herein.

5. That this Order shall remain in full force and effect until further order of the Commission.
